Human biliary glycoproteins function as receptors for interspecies transfer of mouse hepatitis virus

These data suggested that phylogenetic homologues of virus receptors represent natural conduits for virus xenotropism and cross-species transfer

Persistent infection promotes cross-species transmissibility of mouse hepatitis virus

R S Baric

J Virol. 1999 Jan;73(1):638-49. doi: 10.1128/JVI.73.1.638-649.1999

These data suggest that MHV persistence may promote virus cross-species transmissibility by selecting for virus variants that recognize phylogenetic homologues of the normal receptor

# Weapon of Mass Destruction

Until an infectious disease crisis is a very real, present and at an emergency threshold, it is often largely ignored

To sustain the funding base beyond the crisis we need to increase public understanding of the need for medical countermeasures such as a pan-influenza or pan-coronavirus vaccine

A key driver is the media and economics follows the hype. We need to use that hype to our advantage to get to the real issues

Investors will respond if they see profit at the end of the process

## Questions

Dr. Ralph Baric was involved in every step of the creation of this bioweapon of mass destruction from 1998 to 2015. His research was funded by the NIH

In 2010, Dr. Ralph Baric also discovered the antidote to diffuse this weapon of mass murder through the use of Zinc Ionophores with Zinc

Why was this information suppressed from the American public?

Why was this information vilified, access to Ivermectin and HCQ restricted, and doctors that were advocating for their use de-platformed?

# Collusion and Sabotage

President Trump ordered that HCQ be made available to every American

Dr. Rick Bright from HHS/BARDA and Dr. Janet Woodcock from the FDA colluded and sabotaged President Trump's order and condemned >700,000 Americans to death and millions world wide

# Population Reduction

In a 2015 TED talk, Bill Gates called for a 10 to 15% reduction of the world population in order to prevent global warming through the use of vaccines

<https://www.weforum.org/agenda/2016/11/america-s-dominance-is-over>

**In 2020, Gates said that 7 billion people  
must be vaccinated to stop the Covid  
pandemic**

## **Rhetorical Question**

Why would I take a “vaccine” for my health which is financed and produced by someone who wants to decrease the world population?

# Population Reduction

The adverse side effects of these vaccines were presented on slide 16 of the presentation

US Patent 11107588

## **CRYPTOCURRENCY SYSTEM USING BODY ACTIVITY DATA**

This patent describes technology that enables a person who is transmitting biometric data to interact with a cryptocurrency system

<https://patentscope.wipo.int/search/en/detail.jsf?docId=WO2020060606>

## Question

How do you get 7 billion people to willing get implanted with technology that measures and transmits your biometric data with your location to a third party?

# China's Cryptocurrency

China's central bank has development a cryptocurrency called the digital yuan

China has made all other private sector cryptocurrencies illegal

China linked its social credit score system to cryptocurrency

<https://www.cnbc.com/2021/03/05/chinas-digital-yuan-what-is-it-and-how-does-it-work.html>

# Global Enslavement

A few global powers will have full control over a cryptocurrency based world economy

This cryptocurrency system will require people to have injected technology that transmits biometric data with their location to centralized data centers which will be controlled by a few global powers

People that refuse to be injected with this technology will be excluded from the cryptocurrency system.

People with a low social credit score will be restricted or excluded from the cryptocurrency system

# Solution

Civil disobedience

Home school your kids

Say no to the poison death shot

Do not delay Covid-19 treatment

High risk patients should take anti-viral prophylaxis

Sacrifice

Will our children be free?

Depends if we are ready to sacrifice now
